➤ Emerging Leaders in a Digital Age

Updating your Leadership Skills for the Digital Era

ONLINE TRAINING COURSE OVERVIEW

Are you concerned that your role as a leader is being challenged by the pace of technological change? Are you uneasy that others are improving productivity by using digital advances while you are standing still?

Digitisation is all around us – from simple computerisation of mundane tasks to sophisticated use of Artificial Intelligence. At the same time, leaders are expected to respond with higher levels of knowledge to a world that has become incredibly volatile, uncertain, complex and ambiguous.

Meanwhile, customers are becoming increasingly demanding and competition sharper. As if that weren't enough, employees expect a different kind of psychological contract with employers; one that gives them more freedom, choice and engagement.

How do leaders cope in such conditions? This COPEX online training course provides the thinking, tools and techniques to not only survive but also thrive in the 21st century digital organisation.

ONLINE TRAINING COURSE OBJECTIVES

By the end of this COPEX online training course, you will be able to:

- Understand the Technological Forces that are Shaping Organisations
- Apply the Technologies and Methods of Companies that Have Successfully Embraced These Forces
